

LOCAL SOLUTION, GLOBAL REACH

Oracle EBS and Fusion/Cloud Staffing

SolutionIT has been deploying Oracle EBS and Fusion/Cloud consultants, functional and technical, since 2007. Every candidate assessed by our own Oracle practitioners. Individual specialists or entire project teams, across every stage of the Oracle application lifecycle.

WHAT WE OFFER

Expertise

- Individual specialists or entire project teams, deployed across every stage of the Oracle application lifecycle
- **Oracle Technical Services:** Cloud Integration, Data Conversion, Reporting, User Interfaces, OAF, RICEWF, SOA Suite
- **Oracle EBS/Cloud Solution Services:** Functional and configuration expertise across implementations, upgrades, rollouts, and support
- **Engagement models:** Contract and contract-to-hire engagements, built around your timeline

Consultant Profiles

- Minimum 10 years hands-on Oracle EBS or Fusion/Cloud experience, functional or technical
- Every consultant evaluated by an internal Oracle SME.
- Experience across implementations, upgrades, rollouts, and ongoing support
- **Functional depth:** setups, configuration, data conversion, migration, integration, reporting
- **Relevant education:** CCPA, MBA, Accounting, Engineering, Supply Chain, Oracle Certifications

Remote Consultants

- Full-time Oracle EBS and Fusion/Cloud specialists, dedicated exclusively to your organization, working from managed workspaces in Boston and Vizag, India
- Interviewed, selected, and managed by you
- 50–60% savings on recruiting, training, and infrastructure
