

## Why Remote Staffing?

**Significant Savings** - 25% to 35% savings in cost towards recruiting, training and infrastructure etc

**Immigration** - Due to recent changes in immigration policies it is estimated that there would be further shortage of onsite IT consultants.

**IT Talent Shortage** - 45% of employers in the US are having challenges finding IT talent.

## How does it Work?

**Skilled Consultants** - Select one or more consultants from our existing pool of Solution IT employees, experienced across major IT platforms.

**Dedicated IT Consultants** working from our managed office in MA and available to be onsite as per your project requirements.
